

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

BOOK V.—MODERN AUTHORS.

INTRODUCTORY NOTE	113
-----------------------------	-----

CHAPTER I.

The Nobel—Dickens.

§ 1.—THE AUTHOR.

I.	Connection of the different elements of each talent—Importance of the imaginative faculty	117
II.	Lucidity and intensity of imagination in Dickens—Boldness and vehemence of his fancy—How with him inanimate objects are personified and impassioned—Wherein his conception is akin to intuition—How he describes idiots and madmen	118

	PAGE
III. The objects to which he directs his enthusiasm— His trivialities and minuteness—Wherein he resembles the painters of his country—Wherein he differs from George Sand— <i>Miss Ruth</i> and <i>Geneviève</i> —A journey in a coach . . .	129
IV. Vehemence of the emotions which this kind of imagination must produce—His pathos— <i>Stephen</i> , the factory hand—His humour—Why he attains to buffoonery and caricature—Recklessness and nervous exaggeration of his gaiety . . .	133

§ 2.—THE PUBLIC.

I. English novels are compelled to be moral—Wherein this constraint modifies the idea of love—Com- parison of love in George Sand and Dickens— Pictures of the young girl and the wife— Wherein this constraint qualifies the idea of passion—Comparison of passions in Balzac and Dickens—Inconvenience of this foregone conclu- sion—How comic or odious masks are substituted for natural characters—Comparison of <i>Pecksniff</i> and <i>Tartuffe</i> —Why unity of action is absent in Dickens . . .	142
--	-----

§ 3.—THE CHARACTERS.

I. Two classes of characters—Natural and instinctive characters—Artificial and positive characters— Preference of Dickens for the first—Aversion against the second . . .	150
II. The hypocrite—Mr. Pecksniff—Wherein he is Eng- lish—Comparison of <i>Pecksniff</i> and <i>Tartuffe</i> —The positive man—Mr. Gradgrind—The proud man —Mr. Dombey—Wherein these characters are English . . .	151
